The Book

Summary

Are you ready to enter the dance of becoming fully alive? Have you ever wondered, if we have the God of heaven and earth living inside us, why aren't we experiencing more in life? Why aren't we seeing more transformation in ourselves, or in others for that matter? What does it look like to have "be me with Jesus in me" anyway, as an individual and also as a woman? These are the questions life coach and pastor Terri Sullivant was asking herself when God answered her in a profound, life-changing way.

The Divine Invitation provides a pathway to maturity for christian women, find what your heart deeply longs for in every area of life. It's a metaphor showing the way for every woman to enter the dance of becoming fully alive. Learning this dance is about developing a relationship with Jesus, like two people dancing skillfully and gracefully. It's about becoming so entwined with the thoughts, words, emotions, and behaviors of Jesus that the two of you are one. You find that this deep connection transcends all of life, enabling you to live joyfully and freely, come what may.

The Book

Excerpts

True spirituality is not about religion, it's about relationship. In the words of pastor/ teacher Bill Johnson, "Religion is boring and cruel."2 I couldn't agree more. The life God intended for us is about being 'supernaturally natural,' centered on a loving relationship with God and with people.
From Page 18

"From glory to glory" is not bounding from mountaintop to mountaintop, ever higher. Rather it means that we go through multiple death and resurrection experiences in communion with our Lord Jesus. I wrote this book not as a self- help book, but a Jesus-help-me book. The cross is the crux of the Better Way. There is no real transformation without the cross.
From Page 32

There is a "dance" with your partner, Jesus, that you are invited to enter into every day of your life. It is an invitation to step up to being the beauty you were created to be. It is also an invitation to step out to dance with Him in every area of your life until who He is and who you are so integrated, so entwined, that you move as one. Step up to Be the Beauty! Step out to Do the Beauty!
From Page 39

"A capable, intelligent and virtuous woman—who is he who can find her? She is far more precious than jewels and her value is far above rubies or pearls." Proverbs 31:10 AMP Classic When you are able, I encourage you to take some time to read the whole passage of Proverbs 31:10-31. This woman is a wife, mother, homemaker, and businesswoman. Presumably she filled different roles in different seasons of her life. But what she brought to every role in every season was her virtue. Now, I want to take a one-by-one look at the virtues being imparted in the dream and the "gift exchange" represented by each one.
From page 46

As you read this book and identify where you are now and what area the Lord is emphasizing in your life now, take the first step—enter the dance! Develop your relationship with the Lord to the place where your thoughts and His are engaged throughout the day. Listen and know His voice. Let your conversation with Him become a two-way street, not a monologue. Never give up. Just DANCE!

Author Interview

Questions & Answers

What was it that inspired you to write this book?

I had a life-changing encounter with God in 1990 that marked me. I knew I would someday write the book about it but I needed to wait until the truths in it had been worked into my character. It took awhile but I now have a story for every one of the virtues mentioned in the dream experience.

What did you learn in the process of writing this book?

I gained a greater perspective of my life and distilled more wisdom from writing it.

Who did you have in mind during the creation process?

Women like me who want more in life, relationships and most importantly in their relationship with God.

Who helped you through the process of writing?

I couldn't have done it without Kary Oberbrunner and his Author Academy Elite program. He was tremendously inspirational and helped me every single step of the way

What do you want readers to know about you as the author?

I am a follower of Jesus and always will be, hoping to help others know Jesus more and help those who don't yet know Him come to faith in Him.

Why is your book important?

I think my book is very important as a spiritual formation book - it offers a pathway to maturity that is unique. It is not focused on performance but about relationship. Good performance is the fruit of a healthy and intimate relationship but not to be the first focus for maturity.

What makes your book different?

Many books on spiritual formation focus on disciplines, performance and Bible knowledge. All those things are good unless they become a substitute for actual relationship with God. My book makes the main thing the main thing.

How are you qualified to write on this subject?

I've walked with God for 45 years now - I have lots of experience to draw on and some hard earned wisdom to share.
